#### **4. Review the Final Report**

Draft of Report Review basic arrangement of each study group in final report. Air, water, light, sound, radon, stable communities are the topics that was assigned to the committee to study. Annexation is one of the largest concerns in the county right now. Table of Content is needed. Profile needs to be published separately. It is about what we are living with day in and day out. Educate and inform policy makers. Paying attention forward. Need to speak for the citizens of Trempealeau County. Decision was made to begin with the Stable Community report. That report will be edited down. Other reports will follow at the discretion of the editors.
